Re: P-3 Cancellation

The performance (and rehearsal) of P-3 Beethoven X Beyonce on October 24, 2025 has been canceled due to a number of factors that made continuing with this specific concert date challenging. Ticket holders will be notified and will receive a refund, and our website has been updated to reflect the changes. Musicians who are currently scheduled to play these services will be paid as if played.

P-2 Fantasia in Concert remains unchanged.

The week's schedule is as follows, beginning October 20:
