

New Jersey Symphony at the New York Botanical Gardens

Saturday, June 22, 2024

New York Botanical Gardens, Bronx, NY

Head down the rabbit hole as **Wonderland: Curious Nature** transforms the NYBG's 250 acres through the sights, settings, and scents of the classic story of Alice's Adventures in Wonderland—and step into a botanical experience that grows curiously and curiously as you set off on your immersive journey.

Trip Highlights

- **Wonderland: Curious Nature** tour. Featuring 250 breathtaking acres of curated gardens and displays, our group will enjoy a guided tour of the Wonderland exhibit with an expert gardener.
- **Wonderland Tea** at the Garden Terrace Room. Influenced by the scents, colors and creativity of Alice's Adventures in Wonderland, a tea-inspired meal will be served with choice of tea plus options for sandwiches, tartines, salads and the classic tea-time tier stands.
